TITAN Technology Partners Awarded Oracle Managed Services Contract

CHARLOTTE, NC - (June 01, 2006) – TITAN Technology Partners has been awarded an Oracle managed services contract from Chicago-based Audio Visual Services Corporation™(AVSC). The contract will provide AVSC management and support for their Oracle 11i Application Suite over the next three years. AVSC is the leading provider of audiovisual equipment rentals, staging services, and related technical support to hotels, event production companies, trade associations, convention centers, and corporations.

TITAN Technology Partners will provide a comprehensive managed services solution through its Oracle Center of Excellence (OCOE) which exists to leverage industry leading people, processes, and tools for the optimal management of the Oracle 11i Application Suite.

“We are thankful to have Audio Visual Services as a client. Like many other companies, they have put their confidence in TITAN to maximize their current investment and introduce a model that will support their business strategy in the long term,” stated Peter Nosek, SVP of Oracle Professional and Managed Services for TITAN Technology Partners.
