## **TITAN Technology Partners to Launch Center of Excellence in Pune, India**

CHARLOTTE, NC - (May 9, 2007) – TITAN Technology Partners, a leading provider of managed industry solutions, today announced plans to launch their first company-owned offshore TITAN Center of Excellence (TCOE) in Pune, India. The TCOE will simplify efforts to provide around the clock support for TITAN's outsourcing clients, as well as support large implementation projects. TITAN describes the TCOE as a unique blend of resources capable of supporting both SAP and Oracle customers with application and technical support based on TITAN's Industry leading Governance Model that eliminates the typical risks associated with offshore arrangements. Under the leadership of Suheb Siddiqui, the TCOE plans to initially ramp up to 30 talented individuals who bring real-world SAP and Oracle expertise and leadership.

“This is another step in providing our outsourcing clients with effective solutions as we push to become the elite provider of outsourced industry solutions in North America,” stated Suheb Siddiqui, SVP of TITAN's IT Strategic Services. “TITAN's offshore Center of Excellence will build on the tremendous talent of existing TITAN resources with a global shared services model so our customers can concentrate on their business while we manage their systems.”
