## **Vincent D’Orazio Promoted to Senior VP Global Services**

### **“It’s All About Leadership”**

CHARLOTTE, NC - (July 1, 2007) – TITAN Technology Partners, a leading provider of managed industry solutions and named the fastest growing technology company in North Carolina in 2006, today announced Vincent D’Orazio has been promoted to Senior Vice President of Global Services over all practice areas. Mr. D’Orazio’s leadership experience building and managing information technology organizations significantly impacts TITAN Technology Partners’ continued growth of our global services.

“Vince has demonstrated his leadership at every opportunity at TITAN and has an exceptional ability to manage and guide our resources to meet the needs of our clients,” stated Michael Vadini, Founder, CEO and President of TITAN Technology Partners. “His contributions on our executive management team continue to transform our business as we become the elite provider of outsourced enterprise solutions in North America.”

Mr. D’Orazio joined TITAN Technology Partners in 2005. Previously Mr. D’Orazio served as CIO at Intermedia Communications, Inc. and served as Vice President of Information Services for Ameritech’s Consumer Services business unit. He has been providing guidance to CEOs and executive management in support of business strategy and growth of numerous companies over the past twenty years.

Mr. D’Orazio holds a BA degree in Mathematics from Ohio Northern University and an MBA in Systems Management from Baldwin Wallace College. Mr. D’Orazio is also a founding board member of the Tampa Bay Technology Leadership Association and has served on both corporate
