Robert Reynolds Joins TITAN Technology Partners to Lead Organizational Change Management Sales Efforts for Eastern Region

CHARLOTTE, NC (September 30, 2007) – TITAN Technology Partners, a leading provider of managed industry solutions and named the fastest growing technology company in North Carolina in 2006, today announced Robert Reynolds has joined TITAN as Regional Vice President of Sales, Organizational Change Management, for the Eastern Region of the US. Mr. Reynolds will focus on supporting client's efforts to adapt to new technology with effective solutions designed to create confident and self sufficient users. Mr. Reynolds brings over twenty years of successful sales, consulting, and program management experience focused in information technology.

“TITAN Technology Partners seeks to provide our clients with the right team, the right plan, and the right tools to leverage their investments in technology through our unique GBSynergy branded Education and Training offerings and to become the trusted advisors of our clients,” said TITAN Senior Vice President of Sales, Organizational Change Management, Karmen Berentsen. “Bob’s experiences in change management and ERP knowledge will be invaluable to our clients. We are confident in Bob’s abilities to expand TITAN’s market in this region.”

Prior to joining TITAN, Mr. Reynolds served as the Oracle JD Edwards Practice Director for Fujitsu and previously held sales and leadership positions in the information technology arenas at IBM and KPMG Consulting.

Mr. Reynolds received a B.S. in Management Science from Kean University and resides in Central New Jersey.
