Permanent General Assurance Corporation Leverage TITAN Technology Partners Utility Model to Complete PeopleSoft 8.9 No Cost Upgrade

CHARLOTTE, NC (October 15, 2007) – TITAN Technology Partners, a leading provider of managed industry solutions, a Certified Advantage Partner in the Oracle PartnerNetwork™, and a BPO HCM Provider Powered by Oracle™, announced a successful upgrade was completed on September 3, 2007 for Permanent General's Human Resources systems. By leveraging TITAN's Utility Model, Permanent General Assurance Corporation (PGAC) is able to benefit from Oracle's Peoplesoft Enterprise® Applications 8.9, by leveraging TITAN's No Cost Upgrade.

The upgrade from Oracle's PeopleSoft Enterprise version 8.3 to Oracle's PeopleSoft Enterprise version 8.9 was included as part of TITAN's monthly utility fee which also includes the software, hosting, and managed services with No Cost on demand features. The upgrade to the human resources system enhances Permanent General's ability to manage its employees across the United States.

"TITAN's Managed Services for Peoplesoft not only provides daily support to Permanent General, but allows Permanent General to improve the way their Human Resources Systems operate," said TITAN SVP of Peoplesoft Services Phil Ledbetter. "TITAN's simple monthly fee eliminated the challenges of staying current with the latest software application releases so we could focus on improving the services Permanent General provides its employees."
