## **TITAN Technology Partners Acquires ESP Consulting**

CHARLOTTE, NC - (February 13, 2008) – TITAN Technology Partners, a global provider of hosted and managed industry solutions, today announced it has acquired Singapore based ESP Consulting. The ESP operations will be renamed TITAN ESP. ESP Consulting is a growing consulting and managed services provider focused on delivering SAP industry solutions to clients throughout Asia in growing industry segments including Engineering/Construction, Chemical Manufacturing and Financial Services. ESP Consulting has deployed and managed SAP solutions for companies across the Pacific Rim including Singapore, China, Taiwan, South Korea, and Australia. The acquisition expands TITAN’s capabilities in Asia for its global client base and significantly expands the suite of offerings available to ESP Consulting clients including IT Strategy, Hosting, Education Services/Training, Corporate Performance Management, and other ERP based platform solutions.

“The ESP Consulting acquisition is a unique opportunity to expand our global capabilities with an exceptionally talented team. We have respect for their leadership and envision our combination as a key step towards our continued development of an elite, global organization,” stated Michael A. Vadini, CEO and Founder of TITAN Technology Partners.

Lok Min Chian has been appointed President of TITAN’s Asia Pacific operations. Prior to the acquisition, Mr. Lok served as the Managing Director and Co-Founder of ESP Consulting and brings over 20 years experience in providing technology solutions running SAP. He and his team built ESP Consulting into a highly respected SAP solution provider throughout the APAC region. “The acquisition of ESP Consulting by TITAN Technology Partners is a strategic opportunity to deliver unprecedented full world-class solutions throughout Asia,” stated Lok Min Chian, Managing Director of ESP Consulting. “Combining ESP’s strengths with TITAN’s global capabilities will enable us to better support our global clients with innovative solutions. We are simply elated to be joining the TITAN organization which shares our values and passion to serve our clients.”

Soh Teck Leong has been appointed Vice President, Administration for TITAN ESP. Mr. Soh brings over 20 years experience in providing technology solutions which maximize technology investments for clients running SAP. Prior to the acquisition, Mr. Soh served as Director of Operations, China and Co-Founder of ESP Consulting. Prior to co-founding ESP Consulting in 1996, Mr. Soh managed SAP Asia’s consulting team as Consulting Manager, delivering SAP solutions for SAP throughout Asia.

Lee Chin Pong has been appointed Vice President, SAP Services for TITAN ESP. Mr. Lee brings over 18 years experience in providing technology solutions which maximize technology investments for clients running SAP. Prior to the acquisition, Mr. Lee served as a Director of Operations and was a Co-Founder of ESP Consulting. Prior to co-founding ESP Consulting in 1996, Mr. Lee deployed SAP solutions throughout Asia for Andersen Consulting and Singapore Telecoms.
