Valley Baptist Health System Leveraging TITAN Technology Partners Hosting and Managed Services

CHARLOTTE, NC - (February 28, 2008) – TITAN Technology Partners, a global provider of hosted and managed industry solutions and named the fastest growing technology company in North Carolina in 2006, announced today Valley Baptist Health System, a nationally recognized health system, has signed a multi-year agreement to leverage TITAN's Hosting and Managed Services to support their Financial and Human Capital Management applications throughout the organization for over 2,500 employees.

“It was critical for Valley Baptist to identify a strategic outsourcing partner that could provide a solution to meet healthcare industry specific objectives in support of our financial and human resource application needs moving forward” said James Barbaglia, Valley Baptist's Senior Vice President and Chief Information Officer. “TITAN Technology Partners has been able to demonstrate their expertise expanding and supporting our current business applications and their hosting capabilities allow us to expand our relationship over the long term while relying on TITAN's expertise to address our technology needs.”

“We are pleased to expand our relationship with Valley Baptist to support their financial and human capital applications,” said Tim Stofka, TITAN's President of PeopleSoft Business Solutions, “Our hosting and managed services offerings provide a service oriented solution for Valley Baptist as we combine our world class outsourcing services to assure Valley Baptist can focus on their objectives.”

About TITAN Technology Partners

TITAN Technology Partners is a global provider of hosted and managed industry solutions.

About Valley Baptist's Health System:

Valley Baptist Health System is a community health service providing spiritually-based health, education, and charitable programs in accordance with the teachings and healing ministry of Jesus Christ.

Valley Baptist extends many of its services beyond its facilities and into local communities, offering services and expertise to area businesses and other organizations through its Value Partners and other programs including free screenings for the community, support groups, and numerous educational opportunities.
