TITAN Becomes Champion Sponsor for Alexander Youth Network

CHARLOTTE, NC - (April 30, 2008) -- TITAN Technology Partners, a global provider of hosted and managed industry solutions, announced today a five year commitment to be a Champion Sponsor for the Alexander Youth Network (AYN). TITAN's commitment was shared during the Celebrating Our Kids Luncheon which attracted over 1,100 Guests at the annual fundraising luncheon April 1 at The Westin Hotel in Charlotte.

"Supporting our local communities is a core value at TITAN and we are proud to make our commitment to help the youth of North Carolina," stated Bryant Gregory, Senior Vice President, Administration at TITAN Technology Partners. "The Alexander Youth Network has a vital role in the communities we serve and we are fortunate to be a Champion Sponsor for their good work."

"Alexander Youth Network appreciates the strong support from dedicated corporate citizens like TITAN Technology Partners," said Ann Church, vice president of advancement at the agency. "It takes a lot of faith to support organizations like Alexander that don't provide a tangible and immediate benefit back to the organization. At the same time, TITAN's efforts to heal children suffering from mental health problems before they reach adulthood will have a profound impact on the quality of life in our community for years to come. Early treatment for mental disorders is a proven strategy to combat many social ills that we face every day, from domestic abuse and crime to substance abuse and suicide. Everyone in our community owes a debt of gratitude to companies like TITAN who step up to this challenge."
